Kramer-Maupin Motor Company

New Business Firm in Fulton
Sells Hudson-Essex
Automobiles

When T. J. Kramer and B. D. Maupin, two of Fulton's prominent business men, took over the agency of the Hudson-Essex, the world's largest selling six-cylinder cars, under the firm name of the Kramer-Maupin Motor company, another strong link was added to our city's chain of business firms. They are to be congratulated on obtaining this agency. For distinction, beauty, comfort, performance and endurance, at the low selling prices, Hudson-Essex cars stand prominently at the top of the list of all six cylinder cars.

Headquarters with office and garage for the new firm occupy spacious quarters at Maupin Machine Shop.

Who Are Kramer and Maupin?

While Messrs. Kramer and Maupin are prominently identified in Fulton business and social circles, they are not as old in the minds of the people here as the businesses they represent.

T. J. Kramer came to Fulton about two years ago from Fairfield, Ill., and purchased the stock and lumber business of W. K. Hall Lumber company. Mr. Hall had been actively engaged in this business in Fulton for the past forty years and during that time contributed as much towards the city's advancement as any other one man within her limits. His stock consisted of an exhaustless line of everything pertaining to building material, paints, oils and building hardware. His long experience in the lumber business made him almost an indispensable counselor in every building project, and the business was a wonderful success. Feeling that he deserved a rest after these long years of business activities, he sold the business and left with his wife, for Long Beach, Calif.

Notwithstanding the fact that the business was considered at the highest point of perfection, Mr. Kramer, after taking charge, began to add and till in the stock until today the Kramer Lumber company of Fulton is classed at the top notch in lumber and building circles of the city, county and state. Mr. Kramer and his excellent family are well established citizens of our town. The earmarks of his business and social activities are being felt on all sides.

B. D. Maupin, with his wife, came to Fulton two or three years ago from Memphis and purchased the machine shop of Read & Little. This business, too, has an interesting history, being a factor in Fulton's progress.

About forty years ago N. C. Webb and family came to Fulton from Paducah and opened a small machine shop which developed into a large plant. After the death of N. C. Webb, his son, C. E. Webb, took charge and conducted the business until he passed away, when Oleott & Read purchased the machinery and equipment and moved it into their large building in the rear of Lake street, and what is now known as Maupin Machine Shop. In recent years, new machinery and equipment has been added until today the Maupin Machine Shop is considered one of the best in Western Kentucky. We will add, too, that Mr. Maupin has been fortunate in retaining Moss and Hewitt's services, both being expert mechanics, as well as the new ones who have proven valuable assets to the working force. Besides doing all kinds of machine work, electric and acetylene welding, they repair automobiles with experts to do the work.

Now that you are better acquainted with the Kramer-Maupin Motor company, and the men composing the firm, just phone 935 and ask for a

demonstration of the new Essex Coach at \$765 or Hudson Coach at \$1,165, freight and tax extra.

MR. & MRS. RUCKER MOVE THEIR BUSINESS TO WAL- NUT STREET

Mr. and Mrs. Lee B. Rucker, who conducted the business of Rucker's Music and Gift Shop at 452 Lake street, have obtained spacious quarters at Pat Smith's furniture store on Walnut street, and vacated the Lake street store room. Mr. and Mrs. Rucker will make a specialty of dealing in pianos, phonographs, records, and cut flowers. Mrs. Rucker in recent years has gained an enviable reputation for her artistic work in flower designs for funerals and special occasions and will make greater effort along this line in serving the public. She will carry in stock some of the choicest blossoms for the retail trade.

Great Things in Store for Fulton

\$40,000 Hospital Heads the
List for 1926 Projects

Now that Fulton has within its reach a modern, up-to-date, \$40,000 hospital, will the good citizens grasp the opportunity with a firm grip and lend their support to this much needed institution? We understand that several thousand dollars have been subscribed for the building and a most desirable and attractive building site donated, while the prominent physicians of the city and county pledge more than \$10,000 in modern equipment.

During the past fifteen or twenty years, various attempts have been made to obtain a hospital for Fulton without success, but at this time it looks like our fondest dreams are a reality. We know of no other investment in the city where your dollars would bring larger dividends, especially after viewing the situation of like institutions located in neighboring towns. But for the love of humanity, dollars and cents in dividends should not be the first consideration by any means.

What we need in Fulton is an up-to-date city hospital equipped with modern appliances and the best physicians and surgeons in charge. Therefore, it behooves every loyal citizen to do his part in this splendid movement, and not rest until the much needed hospital is built, equipped and in good running order.

Enthusiastic Meeting At Princeton.

Banker Nugent and Squire Hagler returned Wednesday from the convention of the Western Kentucky Development Association held in Princeton on Tuesday and report a highly enthusiastic meeting.

There were 250 members present representing 17 of the 24 counties of western Kentucky and a temporary organization was perfected whose aim is, as the name implies, to develop the western end of the state.

The first move, and aim will be for good roads, and as soon as it is possible, to secure a thoroughly trained secretary whose business it will be to advertise and organize the people of West Kentucky into an association that will be 100 per cent for the development of the section.

FULTON IS A GOOD MULE MARKET

The good prices being paid for mules in Fulton should stimulate the market for Saturday's sales when Jones & Campbell will be here to buy good fat mules at B. J. Williams' transfer barn on Fourth street.

Balmy Breezes

Campaign For Health Funds Continued

Every Citizen Should Do
His Part In This
Great Work.

The drive of Tuesday for \$2,400.00 for the Fulton Health Department did not secure the full amount, and Chairman Davis and his co-workers decided to continue the campaign until the full amount is secured.

Not quite two-thirds of the desired amount was pledged, but Mr. Davis feels that when the people of Fulton realize that it will be necessary for every one to do their utmost to raise this fund now or be called on at a later date to make up a deficit, that the needed money will be forthcoming.

If the work that is done by the health department is even slightly realized by the business men of Fulton, they cannot but see the absolute need of supporting the department.

The daily visits of the nurses to sections of the town where sickness and want are almost ever-present is the one and only way to prevent the spread of an epidemic that might easily cost many times the amount subscribed to any one or all of the subscribers to the fund.

Mr. Davis is assisted by the following committee: J. E. Fall, Dr. J. C. Scruggs, R. C. Pickering, J. A. Colley, Clyde Williams, M. C. Payne, and Mesdames John Culver, Hardeman Howard, Vodie Hardin, Hillary Alexander, Don Hill, J. W. Gordon and Herman Pickle.

COURT WEEK IN FULTON

Business around the courthouse in Fulton was enlivened this week when circuit court convened Monday, with Judge W. H. Hester presiding and other court officials present to see that the machinery of the law was run smoothly. Prominent among the county officials on hand were Sheriff John Thompson and his splendid line-up of deputies.

The docket for this end of the county was light this term, but at Hickman several murder cases were tried, resulting in one conviction and sentence to the electric chair, Eli Jackson, a negro with three or four killings to his credit.

AT SUNRISE

NEGRO SENTENCED TO ELECTRIC CHAIR

Jury Out Only Thirty Minutes
in Eli Jackson Murder
Case.

The first man sentenced to the electric chair from Fulton county since the state adopted that method of execution, was Eli Jackson last week. In fact, it is the first sentence given any one for capital punishment in this county since Leve James, colored, was hanged for killing a white man in the passenger depot at Fulton before the old passenger station was replaced by the Tennessee Division office building at the I. C. railroad crossing fronting the Usona hotel.

With the jury out only 30 minutes, Eli Jackson, colored, was given the electric chair Saturday afternoon at 3 o'clock for the murder of Eli Flowers, also colored. Jackson killed Flowers about a month ago, after he had tortured him for over an hour with a pistol against his side. Jackson killed Flowers because he was unable to pay back all the money he borrowed the night before to shoot craps with, having at that time asked for the loan of \$6. Jackson had nothing but a \$20 bill, which he gave him and told him to take \$6 out of that. He met Flowers next morning, demanding his money, and when Flowers said he had lost all of it Jackson drew a pistol and said he would kill him. Jackson made Flowers get in a buggy to go get the money from friends, all the time standing back of him in the buggy with a pistol against his side, Flowers begging constantly for his life.

Unable to raise all the money, Jackson killed him. This is the third negro Jackson had killed.

Wednesday Judge W. H. Hester set the date of execution April 30, at Eddyville.

MANY CASES OF INFLUENZA

The recent increase in the number of victims of influenza seems to have amounted almost to a slight epidemic, one day last week there being 23 cases reported in one day.

It is greatly to be hoped that there will not be a really serious recurrence of this affliction, for the winter is not yet half over and the amount of suffering and discomfort both for the afflicted and their families will be far from convenient.

Prosperity of Fulton Banks

Tell Interesting Story in Their
Statements Recently
Published

The prosperity of our Fulton banks as revealed in the financial statements recently published, tells the story in a nutshell.

The trade and industrial conditions of a community are reflected in the banks' deposits and in the accounts of money earned by them upon the funds that have been loaned out to strengthen the various lines and keep clear the various channels of business, and the reflection at the close of what was once and by some considered a slow year, is everything but discreditable. The usual dividends have been distributed among the stockholders, reflecting the substantial business done in the past, and equally the confidence in the prospects for the future, and banking confidence in the future means bright prospects for general business.

Proud of their records for 1925, business men and bankers of Fulton told the Advertiser editor that they look forward to conditions in business during the year just beginning that will mean greater prosperity for this country in the future.

Good Tobacco Market in Fulton

Tobacco sales last Saturday at the loose leaf floor amounted to 77,770 pounds and 96,800 pounds offered. While these figures are not as large as for the previous sale, the average price was \$18.55 and showed an actual larger amount of money to the farmers than on former dates.

There were some 12 or 15 buyers on hand and the bidding was spirited, but the prices did not go very high. This seems to indicate that, while the quality was fair, the grade was not as good as it might have been.

Owing to the snow of Tuesday and the subsequent small attendance there was no sale on that date, but the Friday sale is expected to be a good one, with ample showing of leaf, and the usual number of buyers on hand.

As stated previously, the farmers who have classified their tobacco properly are the ones who receive the better prices, and too much care cannot be taken by the owners in handling. Good classification pays.

Who Will Be the Next President?

The end of the fiscal year of the Chamber of Commerce will occur on the 9th of next month and it is time for the leading members of that organization to begin thinking of whom they will elect to direct its destinies for the ensuing year.

The year of 1926 is bound to be one of the most important in the life of Fulton, and the careful selection of a president for the Chamber of Commerce is of the gravest importance to our city, as there will be a number of important matters to be handled by that body, and they must be placed in the hands of the most competent men that the community can select.

While it is a fact that the Rotary and Lions Clubs will do their full share of this work, the Chamber of Commerce will have to bear the brunt of the struggle, both on account of its greater age and because of its more diversified membership, and the fine traditions for accomplishment that are a part of its history.

Our best men have been selected in the past to head the organization and the members should be most painstaking this year in seeing that the very best man available is drafted for its head and that he is supported by officers and a board of directors that will work heart and hand with him to accomplish the most good for the whole community.

THE MODERN WAY AF- FORDS GREAT PLEASURE

The old faithful family horse was a treasure and afforded much pleasure to its owners until the automobile took his place, and today you could not offer a greater insult to the owner of a pleasure car than to offer him a horse to use in its stead.

So it is with the old washerwoman—she has lost her job. The new scientific and sanitary methods employed in the well equipped laundry, such as the O. K. Steam Laundry of Fulton has revolutionized things. Now this laundry has added another machine to its modern equipment, known as the Verelone Drying Tumbler. It is the greatest laundry development in years. This most wonderful machine harnesses clean, fresh air in such great volumes that it almost entirely eliminates the necessity of heat to dry clothes with.

Any laundry can launder a collar; any man can build a house; but to do either as it should be done, you must have the proper equipment and the "know how." The O. K. Steam Laundry of Fulton have both. The plant is always open for inspection. The machinery and equipment is not only up to the highest standard of perfection but the sanitary condition of the premises is spotlessly clean and will meet the closest inspection. This is an essential feature of any first class up-to-date laundry establishment.

For those who prefer to do their own ironing at home we now take the family washing and return it home clean and dry (not ironed) for 6 cents a pound. You will find many of the pieces so perfectly washed and dried that ironing will be unnecessary.

Now that the washerwoman question has been settled, you have absolutely nothing to do but telephone 130 and give instruction how you want your laundry done. We will do the rest and return it just as direct.

O. K. STEAM LAUNDRY J. J. Owen, Prop.

Now is a good time to renew your subscription for The Advertiser another year. Don't wait until your name is dropped from the list. A \$1.00 bill will place you in good standing on our list for one year.

GOOD COFFEE IS A DE- LIGHTFUL BEVERAGE

When the editor of this paper was associated many years ago with the old Times-Democrat at New Orleans, he learned that the French Market had the reputation of dispensing the best coffee made known as the "Creole French drip," and the early morning hours found us wending our way with hundreds of others in the direction of the French Market for our morning "eye opener." During that time we cultivated an appetite for good coffee and there is nothing we enjoy more. But after leaving the Crescent City we found it difficult to get a good cup of coffee outside of our own home.

Good coffee possesses a direct beneficial action on the system. Just as well-grown nutritious celery is said to supply the brain with phosphates—food for the brain cells—while poorly-grown celery has no such effect. So it is with well cultivated, well roasted, well made coffee. Such coffee supplies the nerve centers with an element that feeds the nerves, tones them up, makes them strong. Since the nerves control every function of the body, good coffee benefits all the organs of the body, gives them a strong mental grip, and helps make your success. But poorly grown, badly roasted, poorly made coffee does not possess this beneficial effect, and has absolutely no beneficial action on the nervous system. The coffee used and made at Albert Smith's restaurant is good coffee. It is rich in the nerve feeding element. A cup of Smith's coffee is beneficial to the health—it feeds the central nervous system—its rich, delicious, creamy taste and fragrant aroma make it a most delightful beverage. No wonder we find many Fulton coffee lovers dropping in at Smith's Cafe during the day for a good cup of coffee. In our estimation Smith's coffee is just a degree better than the famous "Creole French drip," because the three large electrically heated urns are kept sanitary and spotless clean and Smith's special brand of coffee is used with pure Jersey cream.

DEAD LIMBS AND TREES ARE DANGEROUS

The windstorm of last Thursday almost caused a bad accident on Walnut street, when a limb of a dead cottonwood tree in the yard at the corner of Jefferson and Walnut fell into the street, barely missing a passing auto and falling just in front of one following the first. The limb was about 30 feet long and fell on top of the telephone cable line and thence across the street.

In the yard of a house across Jefferson street another limb fell in the yard where a number of children were playing, but no damage was done to them, they fortunately being in another part of the yard at the moment of the fall.

There are a number of dead trees in this neighborhood that seem likely to fall at most any time that there is a strong wind, and should some one be hurt, there is likely to be a damage suit follow.

Railroad News

Dance Car on Passenger Trains?

The Charleston Limited. Sir Alfred Yarrow, 84-year-old inventor and ship-builder, in a moment of senile jocularity, suggested a few days ago that a dance car be added to the commuters' express between London and Brighton. The cabling of this ribald idea to this country shows the need of censorship. Taken seriously by some of the suburban dwellers, it may yet become a demand for the Interstate Commerce Commission to consider,

and this body already has done everything except regulate the dining car menus. If, which seems doubtful, the commission should decide it had no jurisdiction, another law would be necessary, thus sending the total number of railroad laws up to 5,001 to be obeyed. However, Sir Alfred's suggestion has its piquant possibilities. Imagine the joys of Charlestoning or fox trotting home to Fenilworth or Waukegan. "Watch your step" would then have a real meaning.—Railway Review.

Supt. H. W. Williams spent Wednesday and Thursday of this week in Chicago, attending the Monthly Expense meeting.

General Superintendent Heyron passed through the city Wednesday of this week en route to Chicago to attend a Monthly Expense meeting.

Miss Louis Covington attended a theater performance in Memphis last Saturday evening.

Roadmaster S. J. Holt made a business trip to Chicago this week.

Mr. Rufus Kemp has been quite ill for several days, apparently suffering from a light case of flu.

This is Efficiency
Expert handling of a locomotive was recently displayed by Engineer J. B. Tucker and Fireman J. A. Stedham of the Tennessee Division of the I. C., when they made ten round trips between Jackson, Tenn., and Birmingham, a total of 4,500 miles, without once having steam escape through the poplavalve of their locomotive No. 2428. This locomotive is one of the powerful new mountain type giants recently built for the Florida passenger service on the Illinois Central and handles the Floridan and Seminole between Jackson and Birmingham. Engineer Tucker has been in the service thirty-six years and Fireman Stedham, six years.

Historical Biloxi
The Mississippi Gulf Coast, to which the Illinois Central system recently extended its service by taking over the Gulf and Ship Island railroad, is one of the most historic parts of the United States, according to the January issue of the Illinois Central magazine. The first tourist at Biloxi, a popular resort on the coast, was D'Iberville, who landed there in 1699 and established there the first capital of the Louisiana territory. Five flags have flown over Biloxi, namely, French, Spanish, English, Confederate and American.

Nelson & Company Close Down on Account Bad Weather

H. W. Nelson & Company closed down on the construction of new line a few days last week on account of bad weather and the track getting too soft to handle the trains hauling dirt over. However, they resumed work Monday of this week.

Silk, Silk, Silk
Twenty-two cars filled with silk, which arrived in New York city from Japan on January 13, were said to contain 10,000 bales valued at ten million dollars. This silk, two train loads, was carried from Seattle, Washington, to New York City, in 86 hours, and all the way from Yokohama to New York in 15 days.

Auto Accident

Mr. Sampson, Superintendent of Nelson & Company and Mr. Franklin, Engineer of that company, had an accident last Saturday while going over the line, when their car slid into a ditch, causing painful injury to both of them.

I. C. to Use Mallet Type Engines

The Illinois Central has borrowed from the Central of Georgia, some Mallet type engines for use on the Kentucky and St. Louis Divisions. These are four cylinder engines, and are even larger than the large 2900 class engines now in use on the Tennessee Division.

Killed By Falling Tree.

Funeral services for L. W. Reason were held Wednesday at the parlors of the Fulton Undertaking Company on Carr street, conducted by L. A. Winstead; interment following at Fairview cemetery.

Mr. Reason was killed Tuesday when hit by a limb from a falling tree on the Guy Irby farm near Pierce, Tenn. Men who were cutting timber on the place did not know of the unfortunate man's danger until it was too late. At the time of his untimely death Mr. Reason was 72 years old. He was a native Virginian and highly esteemed by all who knew him.

He is survived by his son, J. W. Reason, of Fulton, and daughter, Mrs. J. W. Gibbs, of Miami, Fla.

BIG SALE SET ASIDE

Chambers' Holdings Will Be
Divided Into Eleven
Tracts.

Hickman, Ky., Jan. 22.—In the bankruptcy proceedings of Frank M. Chambers of this county, the National Deposit Bank and Central Trust Company of Owensboro, Ky., thru their attorney, John A. Dean, the sale of 2,700 acres of land, partly located in Hickman county and partly in this, Fulton county, has been set aside, this being set aside by Federal Judge Dawson. They were successful in doing this because of a defect in the notice of sale.

The land originally was appraised at \$67,000, but sold at the courthouse for \$47,732, which was less than three-fourths of the appraised value of the land. Cotton and corn crops were raised on the land during last season and the trustee in bankruptcy, J. D. Via, of Clinton, Ky., was directed to have these crops disposed of and an accounting made.

Senator E. T. Davis, of Hickman, represents the trustees, Referee in Bankruptcy J. C. Speight, of Mayfield, who was recently appointed by J. Dawson, has been ordered to call a conference of creditors to arrange for a resale of the large acreage. The original tract has been divided into 11 smaller tracts and the court orders that the smaller tracts be sold as such and not as an entire tract.

The property is ordered sold free of homestead right of Floyd M. Chambers and the referee will apportion in the case the sum of \$1,000, the value of a homestead, to Chambers, but the property ordered sold subject to the rights of Mrs. Chambers. Under the original sale it was estimated unsecured creditors could realize approximately 15 per cent on their claims after payment of expenses and administration.

Cayce News

Miss Maudine Searce, who has been ill at her home, returned to Columbus, Saturday, to resume her work in the high school there.

Mrs. Albert Jones is ill, having had flu which developed into pneumonia.

Mr. and Mrs. A. W. Fowler were called to Kenton, Tenn., Sunday on account of the death of Mr. Fowler's mother.

Miss Margaret McClellan entertained Friday night in honor of her brother. Those enjoying Miss McClellan's hospitality were: Misses Martha Sue and Mary Sublett, Daphne Mabry and Messrs. Henry Sublett, Donald Mabry and Leon Bransford.

Lum McClellan left for Wilmore Kentucky, Tuesday to enter Asbury College.

The following students of Cayce Hi were exempted from mid term examinations last week, having made above 90 on all subjects and department for the past five months: Freshmen: Ruby Wade, Anita Fowler, Kenneth Oliver, Fred Bonduant and Marye Jeffress.

Sophomores: LaVerne Roper and Martha Sue Sublett. Juniors: Hazel Mayfield and Daphne Mabry.

Seniors: Paul Taylor Pewitt, Seward Wade, Harold Hampton, Cecil Cruce, Ernest Craig, Rubye Davis, Julia Jeffress and Opal Bryant.

Crutchfield News

Two loads of corn and one of hay have been shipped from Crutchfield lately.

Crutchfield had the quarterly meeting Wednesday of last week. The presiding elder preached a fine sermon and the ladies of the church served a fine lunch on the ground, enough for twice the crowd. The collection for the quarter was \$239, besides other collections.

Dr. Turney attended the services Wednesday.

Mr. and Mrs. Oscar Turner of the Harmony community visited Mrs. Yancy Milner and attended quarterly meeting.

Miss Annie Purcell was the guest of Mrs. T. B. Watkins a few days last week.

The mail carriers had a rough time last Thursday when it rained, sleeted and snowed all day, and again Friday, when it was so cold one could hardly keep warm by a good fire. They have my sympathy on days like that.

Mrs. Munrow Baulch has been a guest in her father's home, Mr. T. O. Copeland, for a week or so. She spent a day or two with her aunt, Mrs. Jess Cavender of Dukedom.

Lewis Kimbro, son of Tom Kimbro, is in very serious condition with typhoid fever, but was doing very well when last heard from.

Mr. Ollie Bruce and family went to see Mrs. Bruce's brother, Mr. Jim Imman, who is just back from the hospital at Murray where he has been under treatment of Dr. Mason. The doctor took six or seven nerves out of his face, one of them inside his mouth. Mrs. Bruce says he is much better than she ever thought he could be.

Mr. Charley Belew and Miss Irene James were married Sunday and came to Mr. Clarence Belew's and had a wedding supper there. They were married in Fulton.

Russell Brown and J. C. Newberry left Tuesday for Detroit, after a visit to home folks.

Junior Hester of Mayfield, was a social visitor here Sunday.

Miss Lucille Derryberry will leave Thursday for Memphis to resume her duties in the Memphis schools.

Miss Mayor spent Sunday in Arlington.

Dr. A. J. Turney wishes to announce that he has returned home and has opened an office practice.

Miss Myron Newton spent the week end at home near Fulton.

Mr. and Mrs. R. M. Belew, and Lawrence Belew of Fulton, Mr. and Mrs. Ernest Carver and son, Ray, of McFadden, Mr. and Mrs. Pressie Moore, Misses Ina Belew and Rachel Byrd of Rock Spring, visited Dr. and Mrs. A. J. Turney, Sunday.

Miss Irene Jones of near Moscow and Mr. Charles Belew, of this place, were united in marriage Sunday. The bride is the lovely daughter of Hurdle Jones, and is a charming young lady and numbers her friends by the scores. The groom is the second son of Mr. and Mrs. Clarence Belew, a most estimable young man. Her many friends extend best wishes.

Miss Willie Ruth Turner spent the week end with Miss Irene Jones.

JACK CALL CONVICTED, GIVEN A LIFE TERM

Hayes and Taylor Jury Failed
to Agree.

Union City, Tenn., Jan. 23.—After four hours deliberation, the jury in the case of Deputy Sheriff Jack Call, charged with the murder of Luther Huffstetter of Elbridge, brought in a verdict of guilty of murder in the first degree, with a sentence of life imprisonment. Motion for a new trial has been made by the defendants' attorneys, Pierce and Fry, and Morris Miles.

The jury in the case of Walter Hayes and Charten Taylor, charged with shooting to death of Rufe Roney, of Samburg, brought in a verdict of not guilty as to Taylor but after over 48 hours deliberation, reported to the judge that they could not agree as to Walter Hayes and the jury was dismissed by the judge.

Church Street, Fulton, Ky.

When you buy John Deere implements you
are sure of prompt repair service
throughout their long life

A FARM WAGON THAT IS GUARANTEED

The amount of satisfactory service that a wagon will give depends entirely upon the material and skill the manufacturer puts into it. We want to show you a wagon that is built of the best materials by men who know how—

THE JOHN DEERE WAGON The Wagon That is Guaranteed

A special machine automatically measures the inside of the skin of the John Deere farm wagon and shapes the axle to fit accurately. The skin is set in red lead under high pressure. It has exactly the right pitch, and the axle has the right gather to make the John Deere wagon run lighter than other wagons. With the John Deere sand- and dust-proof skins there is no wearing of bearing surfaces—the oil stays in— the wagon is always smooth-running and light-pulling.

Only carefully-selected oak and hickory are used in the John Deere Wagon, and every piece of wood is air-seasoned under cover in our own yards for at least two years. The tires are set hot under hydraulic pressure and under a gauge that assures proper dish—the load is always carried on plumb spokes.

And don't forget this other big feature—the heavy malleable fifth-wheel with corrugated coupling—no bending or breaking of kingbolt—bolster does not get out of line and rock—no danger of tipping when handling large, top-heavy loads.

Come in and see this wagon—read the guarantee on the tool box. Let us explain the many fine points embodied in it.

R. S. Williams

Chestnut Glade

Mr. and Mrs. Raymond Hall
are rejoicing over the birth of
a young lady. Mother and
child doing well.

Mrs. Bud Palmer is grand-
mother, I hear. Her daughter,
Mrs. Mable Adams is the moth-
er of a little son. Mrs. Adams
is for the present with her
mother.

Mr. and Mrs. Jesse Wilker-
son have a very sick baby.

Mrs. Emmett Reed had a sale
Friday. Sold all her personal
property and left Saturday to
join her husband in Tampa,
Fla.

Vester Williams has a very
sick child. It is threatened
with meningitis.

Marvin French left Saturday
for Akron, Ohio.

Mrs. Stella Nanney has been
real sick for two weeks and is
still in a very serious condition.

Mr. and Mrs. Walter Par-
mer are ill with the flu.

Mr. Ollie Kindred and Miss
Leo Ledbetter stole a march on
their friends two weeks ago,
when they were secretly mar-
ried. The wedding was an-
nounced Saturday. Mr. Kind-
red is the son of John Kindred.

Leo is the only daughter of Mr.
and Mrs. Luther Ledbetter, and
both are well known in this
community. We join their
many friends in wishing them
much happiness and a long life
together.

Mr. Ernest Rawls moved to
Fulton last Saturday.

Their home in Ruthville will
be occupied by Dr. Counce,
who will move in a few days.

We are sorry to lose Mr. and
Mrs. Rawls from our commu-
nity, but are glad to have Dr.
Counce permanently located in
our midst.

The interest in tomatoes is
growing. Mr. Kirksey of Mar-
tin, was over Wednesday eve-
ning to address those interest-
ed, at their regular Wednesday
evening meeting. An order
was given for 70,000 tomato
plants ready for the cold frame.

Others will grow their own
plants and are now starting
their beds.

The play, "The Border Le-
gion," will be staged at Ches-
nut Glade Friday evening, Feb.
5. Should the weather be
unlike, come the following
Friday evening. This play is
laid on the Idaho border. Joan
Randle is loved by a kid cow-
boy. He once kissed her. It
made her angry and she told
him he was no good and not
strong enough to be really bad.

He has gone to join Jack Kells
and his gang of bandits.

Joan is sorry and tries to
overtake him and bring him
back, but is captured instead by
Kells, who takes her by force
to their different rendezvous,
where he presents her as his
wife. She is shielded from
contact with the gang as much
as possible. Jim Cleve joins
the gang and they are secretly
married. The gang makes a
big haul, drinking and gam-
bling follow. Kells has wagered
Joan against Gulden's gold
and lost. Kells stands off the
entire gang. Joan and Jim
Cleve are set free. They go to
find a home together in some
quiet place. The cast of char-
acters: Jack Kells, leader of
the Border Legion, Malcolm
Johns; Joan Randle, who dares
Cleve to be bad, Reima Reed;
Jim Cleve, Leon Nix; Sam Gul-
den, Beecher O. Finch; Bate
Wood, one of Kell's stays, Guy
W. Finch; Red Pearce, Kell's
right hand man, Maynard M.
Reed; Roberts, a rancher, Clay
McConnell. Other members of
the gang, Bill Bailey, Howell
Oliver; Texas, Orton Oliver;
Jesse Smith, Vasco Simpson;
Blicky, Malcolm Latta; Handy
Oliver, James Palmer; Parson,
Felts Rawls. Chestnut Glade
will appreciate your presence
at this play.

Mr. Cecil Hall, who has been
hauling tobacco to Hopkins-
ville this fall, found himself
marooned between the Cum-
berland and Tennessee rivers
by the big rain that fell last
week. He left his truck and
came home on the train to wait
for the water to subside.

GET BUSY

Tuesday, February 9, will be
the date of the annual election
of officers to the Fulton Cham-
ber of Commerce for the ensu-
ing year, and as far as the writ-
er is able to ascertain, no move
has been made to select these
officers.

Last year there was an active

campaign for new members
just before the election result-
ing in a very creditable in-
crease in the membership, and
many of the well-wishers of the
organization are anxious that
something be done at once to
insure a lot of new members
and the selection of competent
officers to guide the destinies
of the Chamber for the coming
year.

Beelerton News

Misses Irene Bockman and
Grace Brown were the guests
of Mrs. Jim Bushart last Mon-
day night.

Misses Jewel Robey and Lu-
cille Hicks visited Mr. and Mrs.
Angus Guyn last Monday night.

Mr. Rupert Moore has been
away from school several days
on account of illness.

Miss Boone Walker spent
last Tuesday with Mrs. Bert
Walker.

Miss Loudean Bryan was the
guest of Miss Fay Hicks last
Tuesday night.

Miss Irene Bockman visited
Mrs. Will Guyn last Thursday
night.

Mr. Oling Winstead, of Dex-
ter, Missouri, spent last week
with Rev. E. S. Hicks and fam-
ily before going to Duketown,
Tenn., to visit his father, Rev.
W. S. Winstead.

On last Friday afternoon,
Misses Jewell Robey, Irene
Bockman and Grace Brown,
teachers of the grades, organi-
zed a "Progressive Sunshine
Club," to which all students in
the grades may belong. The
purpose of this organization is
to promote better English, also
to assist the smaller children in
public appearance and speak-
ing. The club will meet every
Friday afternoon and interest-
ing programs will be given.

Miss Jewel Robey visited
Miss Boone Walker last Satur-
day night.

The Junior Missionary Soci-
ety of Wesley church met last
Sunday after Sunday school.

Mr. and Mrs. J. A. Johnson
and daughters, Irene and Na-
omi, of Fulton, spent Sunday
with Mrs. S. J. Walker and
family.

Rev. Miss Letie Clements of
Duketown, Tenn., filled her ap-
pointment at Mt. Zion last Sun-
day. Her subject was, "Judg-
ment," taken from the lesson
text: Matthew 7:1-4. She em-
phasized the need of beholding
the beam in your own eye in-
stead of your brother's, and
living true Christian lives in-
stead of faultfinding one's. She
ended her splendid sermon
with the following lines:

"Keep watch on your words,
my darling,
For words are wonderful
things;
They are sweet like bees'
fresh honey.

Like bees, they have terri-
ble stings."

Miss Clements was the guest
of Mr. A. W. Fite and family
Saturday night and spent Sun-
day with Mrs. E. S. Hicks.

Miss Carmie Lee Cowley
spent last Sunday with Miss
Mary B. Walker.

Misses Loudean Bryan, Al-
ma Bushart, and May Polsgrove
and Mr. and Mrs. Eugene By-
num were the guests of Mr. A.
E. Brown and family last Sun-
day.

An interesting chapel pro-
gram was given last Monday
morning by the pupils of Mrs.
E. J. Bennett, instructor in mu-
sic at Beelerton. The follow-
ing program was given:

Song, "America," by Stu-
dents.
Vocal Duet, "What's the
Use"—Misses Fay Hicks and
Loudean Bryan.

Reading, "Grin"—May Pol-
sgrove.

Piano Solo—Manola Bryan.

Reading—Ruth Walker.

Piano Duet—Carmie Hicks
and Mrs. Bennett.

Piano Solo—Zelma Pillow.

Negro Spiritual—Junior and
Senior High School boys.

Mrs. Will Weatherspoon,
Mrs. Will Pillow, and Mr. An-
gus Guyn were visitors at the
school last week.

The banquet which was to
have been given last Saturday
night was postponed on ac-
count of bad weather and the
condition of the roads until Sat-
urday night, January 30. The
same program will be given.

A nice gift. Send The Ad-
vertiser to a friend one year—

FOOD LIKE YOU GET AT HOME

This is truly a home-like restaurant because
it has endeavored to break down the preju-
dice based on the theory that restaurants
could not serve food like you get at home.
Many patrons will testify that there is no dif-
ference between our meals and the meals
they get at home. That's the reason they
come here so frequently to eat.
Years of catering to the appetites of partic-
ular people make it possible for us to serve
appetizing meals.

The next time you want to eat away from
home, bring your family here.

Big Laundry Improvement

ANOTHER YEAR FOR SERVICE

The same unvarying, high standard service that has characterized the work of this laundry in the past will actuate its service to you in the future. Of this you may be assured.

In order to do a class of laundry work that we have never before attempted in our twenty-five years experience in the laundry business, we have installed the latest and most modern machinery for doing a class of work known as the Family Wet Wash, but instead of returning your clothes to you wet, they will be nicely dried in our new drying tumbler at the same price that other laundries have charged for wet wash heretofore.

Since the wet wash has proven unsuccessful we know that none of our patrons want their clothes returned to them wet, and in installing this twentieth century drying machine at an enormous expense, it will be in keeping with the town's progress and will be appreciated by the people we serve.

We never lose an opportunity to give the people of Fulton and vicinity the best of service, and the new equipment we have installed will now make our plant one of the leading laundries in the state.

SEND the FAMILY WASH to US.

When you see the pleasing results, the economy and the convenience of this complete service, you are going to put a ban on "home wash days" throughout the year.

O. K. STEAM LAUNDRY

LIFE AND ITS OPPORTUNITIES

Life is a gift of inestimable value, and fraught with interest which in their effect are as lasting as eternity. Life is given us for a grand purpose, the improvement of ourselves, and helping to better the condition of our fellow men. How important it is that we make a proper use of our time and talents. Work and progress are the order of creation. Among the busy toilers in life's harvest fields there is no place for idlers; neither should we spend all our time digging in the earth after the perishable riches of this world. Man was formed for a nobler purpose. He lives for eternity, where silver will not be needed, where gold will be of no value. Life is far too short and uncertain, the future one too near and real, that we should risk all on the one pursuit for earthly treasure. Opportunities for usefulness are many. Along every pathway in life are weary toil-worn pilgrims, longing for a cheering word, for a helping hand. Shall our lives be one of passiveness who, at the present, call so loudly for action? Can we fold our hands in idleness, murmuring that there is nothing for us to do? Can we deny light and help to those who are adrift on life's stormy sea? They who have the brightest light should hold it up the highest, that its rays may flash out the farther in the surrounding darkness. If life and its many opportunities have been well improved, how grand will be the reflection when we come to stand on the farther shore of life, and look backward, to know that our great object in life was to help our fellow men up to a fairer land.

AN EDITOR'S APPEAL

My friend, help the editor in his wild-eyed search for news. When your friends come to see you, if you are not ashamed of it, tell him; when your wife gives a tea party, if you have recovered from the effects of the gossip, drop in with the news, when a baby arrives, fill your pockets with cigars and call; if you go to a party, steal some of the good things, and leave 'em with the item in our sanctum. If your wife licks you, come in and let us see your scars and tender sympathy through the paper; if your mother-in-law has died, don't be bashful about it; give in all the commonplace news. In short, whatever makes you feel proud, sad, lonesome or glad, submit it to our 24 karat wisdom and see our matted locks part and stand on end with gratitude, which will pour from every pore like moisture from the dew besprinkled earth.

Our teachers are working hard and successfully, but they never know whether their work is appreciated or not unless they have some intimation to the effect from the patrons of the schools. Parents should make it a point to visit at least the rooms in which they have children. Kindly visits from parents have an inspiring influence both for teacher and pupils and if the visit be accompanied by an occasional word of encouragement, so much the better.

The first duty of man is to home, to his wife and his children. As a husband, father, an example to his sons and daughters, their counselor and friend, he should be the light and joy of his household, their strength for duty, their encouragement to excellence, their comfort and help in all that prepares for usefulness and makes home attractive to all.

Hand us a dollar bill and get your name on the Advertiser list as a regular subscriber.

WHEN THINGS GO WRONG

There are times when everything seems to go wrong. From seven o'clock a. m., till 10 p. m., affairs are in a twist. You rise in the morning, and the room is cold and a button is off, and the beefsteak is tough, and the stove smokes, and the pipes burst, and you start down the street nettled from head to foot. All day long things are adverse. Insinuations, petty losses, meanness on the part of customers. The ink bottle tips, and spoils the carpet. Some one gives a wrong turn to the damper, and the gas escapes. An agent comes in determined to insure your life, when it is already insured for more than it is worth, and you are afraid some one will knock you on the head to get the price of your policy; but he sticks to you, showing you pictures of Old Time and the hour glass, and the death's scythe, and a skeleton, making it quite certain that you will die before your time unless you take out papers in his company. Besides this, you have a cold in your head, and a grain of dirt in your eye, and you are a walking uneasiness. The day is out of joint and no surgeon can set it. The probability is that if you would look at the weathervane you would find that the wind is northeast, and you might remember that you have lost much sleep lately. It might happen to be that you are out of joint instead of the day. Be careful and not write many letters while you are in that irritable mood. You will pen some things in the way of criticism or fault finding that you will be sorry for afterward. Let us remember that these spiked nettles of life are part of our discipline. Life would get nauseating if it were all honey. The table would be poorly set that had on it nothing but treacle. We need a little vinegar, mustard, pepper and horseradish that brings the tears even when we do not feel pathetic. If this world were all smoothness we should never be ready for emigration to a higher and better. Blustering March and weeping April prepare us for shining May. This

world is a poor hitching post. Instead of tying fast on the cold mountains, we had better whip up and hasten on toward the warm inn, where our good friends are looking out of the window watching to see us come up.

NOTICE TO THE PUBLIC

I have again been chosen to look after the streets, gutters, street sewers, garbage trucks, water mains, etc., and as supervisor of the above, I wish to call the attention of the good people of Fulton to a few things, and ask their cooperation, which has always been freely given us in all matters where they knew our desires.

1. There is a law requiring all garbage, or trash about your place to be removed; to be put into containers, boxes, barrels or the like, except where same will draw flies, in which case it must be in a sealed container, which can be had at any hardware store, and that all paper, leaves and burnable trash, must be burned up. Now, we are all anxious to see our town clean, and to do this, it is necessary to have your cooperation, and I am going to ask that each and every one of you give me your support in cleaning up and keep it clean, and to eliminate all dangers of fire. I will suggest that all the business houses get them about 9 feet of good strong wire fence (such as you will find at any hardware store) and bring the ends together, forming a circle, and burn all your paper and boxes as soon as it is carried out. Don't wait, but stick a match to it right then, and please don't sweep out paper in front of your business, but take it up and carry it back to the rear of your building and burn it right then, and not allow it to blow down the streets for the street men to have to sweep up and haul off. Now, we can have a cleaner town and shall I have the cooperation of every one in this movement, or not? I think I will get, and I am going to look for results in that direction.

Yours for a cleaner Fulton.
JAS. E. RANKIN,
Street Supervisor.
PAUL DeMYER, Chm.

Society.

W. C. T. U. BENEFIT TEA

The home of Mr. and Mrs. R. H. Wade on Carr street was the scene of a beautiful benefit tea, given by the members of the W. C. T. U., Thursday afternoon, from three till eight o'clock. The spring spirit was reflected in the beautiful appointments of the home, and quantities of lovely flowers gave a feeling that "Spring is just around the corner." Pink and white were used in the dining room where the table was spread with a handsome fillet cloth, centered with a large wicker basket filled with pink and white carnations.

Colored mints and bon-bons of the chosen colors in silver dishes completed the appointments, delicious sandwiches and spiced tea were served. In the receiving line were the officers and others.

A delightful program of informal music was enjoyed during the hours. Quite a nice sum was realized and again the W. C. T. U. members proved themselves hostesses par excellence.

LITERATURE DEPARTMENT

An unusually interesting and inspiring meeting was enjoyed by the members of the literature department of the Woman's club, Thursday afternoon, when Mrs. R. E. Beadles entertained them at her home on Carr street. Mrs. J. V. Freeman had charge of the program which was devoted to Shakespeare, the greatest of the English dramatic poets.

Mrs. J. F. Royster told of Shakespeare's humor, and Mrs. G. L. Major, Women of Shakespeare, naming Portia, Rosalind, Juliet, Lady MacBeth, as the greatest characters. Mrs. Martin Nall gave the story of Hamlet in a most charming manner; Miss Mary Royster gave some delightful reminiscences of her trip to Stratford-on-Avon, the home of Shakespeare.

Mrs. Chas. Brann added greatly to the afternoon's pro-

gram with two songs, "Hark, Hark the Lark," and "Who is Sylvia?" Mrs. Chas. Karmire was presented with a book of poems as a gift of love from the department. At the close of the afternoon the hostess served dainty refreshments.

BIRTHDAY PARTY

Mrs. Chas. Binford paid a pretty compliment to her mother, Mrs. Lide Sanders, Monday afternoon, when she entertained in honor of her eighty-second birthday. The affair was as delightful as informal, with eight of the most intimate friends present. Many exquisite gift flowers graced the spacious rooms and gave rich color note.

Many telegrams and pretty gifts were received, wishing "Mother Sanders" many more happy birthdays.

At the close of the afternoon a lovely salad course was served by the gracious hostess.

THURSDAY CLUB

Mrs. Herman Pickle beautifully entertained the members of her bridge club at her home on Central Avenue, Thursday afternoon. Mrs. Stewart Brown was awarded the top score prize, a beautiful bed light, while Mrs. L. O. Carter won the consolation, dainty hand made handkerchiefs.

After the game delicious refreshments were served.

The annual report of Fire Chief Roberts was read and filed. J. S. Willingham was granted refund for \$3.25, for 1925 tax over assessment. Regular routine business was transacted and following the completion of same, Mayor R. H. Wade, retired from office

and turned over the chair to Mayor-Elect Shankle, who was duly administered the oath of office as the chief executive of the city of Fulton, by Judge Henry F. Taylor, and thereupon Mayor W. O. Shankle assumed his new duties.

Mayor Shankle's first act was to announce the following committees to serve during the ensuing two years as follows:

Finance—Joe Bennett, chairman, W. P. Murrell and Smith Atkins.

Lights—Smith Atkins, Chairman, L. S. Phillips and Paul DeMyer.

Streets—Paul DeMyer, Chm. Smith Atkins and J. E. Hannephin.

Police and Fire—J. E. Hannephin, chairman, Joe Bennett and W. P. Murrell.

Water Works—W. P. Murrell, chairman, L. S. Phillips and J. E. Hannephin.

Cemetery—L. S. Phillips, chairman, Joe Bennett and Paul DeMyer.

Following the appointment of the committees the council proceeded to elect its city officials. The election of the city clerk and auditor of the water works coming first, Thomas H. Chapman being the only applicant, upon motion of L. S. Phillips duly seconded by J. E. Hannephin, a vote was taken for the election of Mr. Chapman, who received six votes, thereupon said Chapman was duly declared elected to said office for the ensuing two years.

The next office to be filled was that of chief of police, three applications being presented for the approval of the council, namely, R. B. Huddleston, Ed Drysdale and Walter Boaz. An aye and nay vote being taken, resulting in six ayes for Huddleston. Thereupon the said Huddleston was duly declared elected to the office of chief of police for the city of Fulton, Kentucky. At this point Mr. Huddleston named his two deputies, being Ed Drysdale and Harve Hart, and upon vote of the council, resulting in six ayes and no nays, the additional two deputies were declared duly elected. Following the election of the officers mentioned above, Judge Henry F. Taylor administered the oath of office to the newly appointed city officials and they assumed their respective offices.

The office of City Attorney was next to be filled and upon motion of W. P. Murrell, duly seconded by L. S. Phillips, the name of J. F. Nichols was presented and upon an aye and nay vote, Mr. Nichols receiving six ayes votes, he was duly declared elected to the office and sworn in by Judge Taylor.

Upon motion of Smith Atkins, duly seconded by Joe Bennett, the name of Lee Roberts was offered for the position of fire chief. An aye and nay vote being taken, resulting in six ayes and no nays, said Roberts was duly declared elected to the office of fire chief.

The name of J. E. Rankin was offered in a motion by L. S. Phillips and duly seconded by W. P. Murrell for the position of street and water works supervisor and upon an aye and nay vote, resulting in six ayes and no nays, said Rankin was duly declared elected to the above office.

The office of city treasurer was next to be filled and there being two applicants, A. M. Nugent of the Farmers Bank and George Beadles of the First National Bank, and following a vote, the election of George Beadles was had. The water works treasurer was elected next, being only one applicant, Bertis Pigue of the City National Bank, and following a vote, he was duly declared elected to said position.

Action on the health board was deferred until the next meeting. The appointment of Cemetery Sexton D. M. Baulch was announced by the council, there being no other application for said position. Mr. Herman Grymes appeared before the body, requesting additional lights be placed near the cemetery and following a hearing, the matter was turned over to the light committee to report at the next regular meeting of the council. The city council adjourned at this point to meet in adjourned session, Jan. 11, 1926.

Thomas H. Chapman,
City Clerk and Auditor.

How He Gets Milk Profits

The dairyman who is getting milk profits this year is the fellow who has found out how to get more milk at less cost per pound!

He Feeds
Purina Cow Chow

Purina Cow Chow fed according to the special pasture directions keeps cows producing to capacity. And—what's more—it keeps them in fine condition for heavy production all through the fall and winter. When herds fed only on pasture slump, Cow Chow fed herds are making the most money. The few cents invested in Cow Chow are yielding dairymen in this section big returns! Phone us to send out your Cow Chow today.

Sunday School Lesson

(By REV. P. B. FITZWATER, D.D., Dean of the Evening School, Moody Bible Institute of Chicago.)
(© 1925 Western Newspaper Union)

Lesson for January 31

JESUS FEEDS FIVE THOUSAND MEN

LESSON TEXT—John 6:1-14; 32-37.
GOLDEN TEXT—Jesus said unto them, I am the bread of life: he that cometh to Me shall never hunger, and he that believeth on Me shall never thirst.—John 6:35.
PRIMARY TOPIC—Jesus Feeds Many Hungry People.
JUNIOR TOPIC—Jesus Is Helped by a Boy.
INTERMEDIATE AND SENIOR TOPIC—Jesus Feeds a Hungry Crowd.
YOUNG PEOPLE AND ADULT TOPIC—Why People Follow Jesus.

I. Jesus' Compassion for the Multitude (vv. 1-4. Cf. Matt. 14:4).

The sight of a crowd always excited the Lord's sympathy. He knew that they were as shepherdless sheep (Mark 6:34). They were going forth with no one to care for them. Besides, they were so ignorant that they had no appreciation of Him. Added to this was their physical hunger. This condition aroused the Savior's pity. This is true of the multitude today. Sin had so thoroughly blinded them that they are not conscious of their lost condition.

II. Jesus' Conference With the Disciples Touching the People's Need (vv. 5-9).

This was not done for His benefit, for He knew what He would do (v. 6). His object may be summed up as follows:

1. To Teach Them Their Sense of Obligation to the Multitude.

We are workers together with God (II Cor. 6:1).

2. To Teach Them Their True Helplessness in the Face of Such Great Needs.

The loaves and fishes were as nothing in the presence of five thousand men, besides women and children. Well might Andrew exclaim, "What are these among so many?" We may plant and water, but the increase entirely comes from God.

3. To Teach Them That Their Sufficiency Is From the Lord.

Without Him we can do nothing (John 15:5). Christians can no more carry on the Lord's work of themselves than the branch can bear fruit without the vine. The branch supplies the life and strength for the production of fruit. Philip's arithmetic was of no use in the face of such need. Jesus has power, nothing is too hard for Him.

III. The Lord's Method of accomplishing His Work (vv. 10-13).

Observe here the orderliness of Christ's work. He paused to give thanks for the scant supply, teaching us that we should always bring our abilities and gifts to God that He might bless them to His use.

1. The Lord's Part Was to Bless and Break the Bread, Even to Create the Needed Supply.

The disciples could not perform this part. The same kind of bread was provided for all, rich and poor, young and old, women and children.

2. The Disciples' Part Was to Distribute That Which He Had Passed and Consecrated.

This is true of the Christian worker today. Our part is to take from the hands of the Lord that which He has blessed and consecrated, and distribute it among the starving multitudes. We are not responsible for the supply, but are responsible for its distribution to all those who are hungry and perishing for the Bread of Life.

3. The People's Part Was to Sit Down and Eat.

They had no part in the provision, neither in its distribution, but only to take from the hands of the disciples and eat that which the Lord had provided. This is exactly our situation. The people are responsible for the taking and eating of the Bread of Life; faith with obedience is their part. This is an illustration of the part obedience plays in our salvation.

IV. The Effect of This Miracle (v. 14).

The people recognized Him at once as the prophet who should come. They believed Him for His works' sake.

V. Jesus, the Bread of Life (vv. 32-37).

What Bread Is to the Body, Christ Is to the Soul.

Bread is a staple food. It is necessary for the body. One never tires of it. Even so is it with Christ.

2. How to Obtain This Bread.

It is by coming to Christ and believing on Him.

3. The Blessed Issue of Taking This Bread.

The one who eats this bread shall never hunger, nor thirst. Hunger and thirst return after partaking of natural bread and water—not so with those who have partaken of Christ.

Ardent Prayer

As well might we expect vegetation to spring from the earth without the sunshine and the dew, as the Christian to unfold his grace and advance in his course without patient, persevering, ardent prayer.—J. Abbott.

Sin's Ending

There is more bitterness in sin's ending than there ever was sweetness in its acting. If you see nothing but good in its commission, you will suffer only woe in its conclusion.

Pulls Light and Makes a Good Seed-Bed

Light draft, ease of handling, and good work are as much a part of a Syracuse No. 110 Sulky Plow as are its wheels, moldboard or levers.

JOHN DEERE

SYRACUSE NO. 110 SULKY PLOW

The big reason for its light draft is its rolling landside. This feature supports the rear of the plow. It forms the third leg of the triangular rolling support—permits all body and frame weight to be carried on three oiled bearings. It keeps the bottom from "sledding" or running on its nose, thus saving shares.

We've never seen this plow's equal for ease of handling. The lever that controls the front furrow wheel is right at the operator's hand. When you reach the end of the field, all you have to do is release the lever latch. The front furrow wheel casters on the turn—guides the plow perfectly. Then as the plow settles on the straight-away, the lever seeks the proper position and locks automatically. Here are other features you are sure to appreciate: The close-fitting shares are quick detachable. The two-axle front furrow wheel support prevents binding or clogging. The bearings are sand proof. The plow is simply made and strong in every part. We can furnish this plow with the type of bottom adapted for best results in your soil.

Be sure to see this light running plow. Drop in the next time you are in town.

JUDGMENT IN BUYING

Buying foodstuffs and meats doesn't consist simply
in shoving your money over the counter and taking the
goods home. Anybody can do that, but it takes good
judgment to buy wisely.

Ask your friends what they think of our stores. They
will tell you that they buy from us because they get
what they want and are never overcharged. They buy
wisely because they know where they are buying. They
buy from us because they know we are dependable.

Try our stores a few times and your own judgment
will tell you that you have made no mistake.

Methodist Church

J. V. Freeman, Pastor

Sunday School, 9:30 A. M.,
T. J. Kramer, Supt.
Epworth Leagues, 6:45 P. M.

Prayer meeting each Wednesday, 7 P. M.

Preaching by the pastor, at 11 A. M. and 7:30 P. M. Special music. The public is cordially invited to attend all the services.

The regular services at the church last Sunday were good. A good attendance at the Sunday School hour. The birthday fund for the new church is gradually growing larger each Sunday. The bank will soon be full. The service at the eleven o'clock hour was profitable. Mr. Paul Hornbeak, of Lakeland, Fla., was present and helped with the music also singing a solo, "Hold thou my hand, Dear Lord." The pastor preached two splendid sermons in the course of the day.

The prayer service attendance is increasing. Mr. Kramer made a splendid talk Wednesday night and a goodly number attended.

Your attendance makes the pastor rejoice and will be a spiritual uplift for each one who attends. Come out next week and give it a trial. Mr. Hardin and Mr. Warren were the boosters last week and did fine team work.

The Warner Blackard Missionary Society met Monday, January 25, at the home of Mrs. A. G. Baldridge with Mrs. Tom Allen and Mrs. Baldridge as hostesses. The meeting was called to order by the president, Mrs. J. C. Scruggs, and opened with song, "What a Friend We Have in Jesus," followed with prayer.

The short business session followed by the minutes being read and approved and roll call with 82 members on roll. Those who were not present at the previous meeting signed their pledge cards. The year books with the programs, places of meeting and leaders were given to those present.

The minutes of the quarterly cabinet meeting held January 18 were also read. The cabinet recommended that the society be divided into two groups to work locally this year in raising funds for the new church and was voted on and carried. The President, Mrs. Scruggs, appointed the following committee to devise a plan and divide the roll into two groups: Mrs. R. A. Brady, chairman; Mesdames Vodie Hardin, A. G. Baldridge and Boyd Bennett. The meeting was then turned over to the Leader, Mrs. Clowe, who conducted a most interesting Bible

Study on the subject, "If Jesus Should Come Today, Who Would See Him?"

Mrs. Chas. Brann then sang a solo, "O Didn't It Rain," from Noah and the Flood, accompanied by Mrs. Clarence Maddox.

Mrs. Clowe was assisted in presenting the program from the year book, by Mesdames Vodie Hardin, Graham McDonald, Ray Brady.

Mrs. Clarence Maddox then favored us with a piano solo. The meeting closed with the conference song, "In Christ There is No East or West."

During the social hour the hostess served delicious tea, sandwiches and date bars to a good attendance of the members, two visitors. Two new members were added to the roll, Mrs. Harold Owen and Mrs. Don Hill. The society will meet February 8 with Mesdames Seldon Cohn and Howard Clowe, with Mrs. Bayard Maupin, leader. Mrs. Lewis Weeks giving a reading.

The Junior Missionary Society will meet today after school with Elva and Charlotte Davis on Eddings street. A good program has been prepared by Mrs. Hardin. Mr. Paul Hornbeak has returned home in Lakeland, Fla., after a short visit to relatives and friends. We were glad to have Paul with us at S. S. and in the choir, Sunday.

Mr. R. E. Pierce has returned from a trip to California where he visited friends.

Mrs. R. M. Redfearn has recovered from quite a serious illness and we will be glad to see her in her usual place next Sunday.

Mrs. T. T. Boaz is improving after several weeks' illness at her home on Eddings St.

Trinity Episcopal Church.

104 Washington St.

Dr. A. C. Boyd, Rector

Septuagesima Sunday or the Third Sunday before Lent.
9:45 a. m. Church school. H. S. Stansbury, Superintendent.
11:00 a. m. Matins and sermon.

7:00 p. m. Evening prayer and address.

A cordial invitation is extended to everyone to attend these services.

Church News

Dr. Boyd is in attendance at the Diocesan Convention in Louisville this week and will be able to make a good report on the work done upon his return.

Mrs. Hattie Combs is quite ill with influenza at her home. Thomas H. Chapman has returned from a visit to his father in Uniontown, Ky., and reports that the patient is no better.

Mrs. Mary Chapman has received word that her mother, Mrs. Collette, will be obliged to undergo another operation.

Dr. Boyd's report of the transactions of the Diocesan Convention being held in Louisville this week will be awaited with interest by the members of Trinity congregation.

Mrs. Venia Fowler is report-

ed to be still fighting the flu. Mr. and Mrs. Charlie Karmire left Saturday for the future home in Shelbyville, Ind. They will be missed by a large circle of friends.

Mrs. Corrine Miles was sick in bed last week with the flu, but was able to attend church on Sunday.

Mrs. Don Taylor was another victim of influenza. She spent several days in bed last week, but is reported better.

R. E. Hubbard, who has been quite indisposed for several days, in his rooms at the Usona, is reported better.

Mrs. A. T. Church Jones, of Tracey, Tenn., spent several days in Fulton on business last week.

Smith's Cafe

Neat and Attractive Service and Food the Best

It is a pleasure to go to this cafe for a lunch or full meal.

Fulton Route Seven

Mother nature is again sending us a thin blanket of snow. Most farmers are stripping the weed in order to get it on the market. Some have gone to Hopkinsville with a carload. Among the number are Messrs. Dave Crockett, Will Robey, Grover Hazlerigg and Mancel Roach.

Most every one is settled for year. Mrs. Lon Milner moved to the Taylor McKinney place. Lit Deudman occupied her home place. He purchased it some time ago.

Mr. King moved to Lucian Nanney's place.

Quite a number are sick of flu. Mrs. McFall, Miss Grace Crockett, Mr. J. B. Netherlund's family. None seriously ill.

Mr. Julian Love served as a juror last week.

Thanks to Mr. Jay Walker for giving the country people some consideration. They certainly deserve to be remembered.

Mrs. C. W. Shelton of Fulton is visiting relatives in the country.

Mr. Billie Hickman took his tobacco to the Loose Leaf Floor in Fulton, but owing to the small offer, he brought it home. He says he'll not gum his hands any more. I think quite a number of farmers have the same notion.

Dear To The Feminine Heart

You will find on our floors a display of Furniture and Home Furnishings that will find instant favor with the lovers of charming homes.

Because of the beautiful designs of the living, dining and bed room suites—

Because of the splendid construction of each and every piece—

Because of the store service we render in assisting our patrons in their selection—

Because of the very moderate prices prevailing—

Because is a woman's reason, and for that reason this establishment appeals to them as the best place to furnish their homes.

Good Furniture is always satisfactory—that is why *Graham's Furniture is guaranteed.*

Graham Furniture Co.
